

High Society ...

Welcome to Horne Park Golf Club. This charming and friendly golf club is ideal for your golf society, company golf day, private party or celebration. This literature will help you to design and book your day easily and efficiently, but if you have any other queries please give us a call on **01342 844443** or contact Bill or Neil via email at neil@hornepark.co.uk.

You can book a date and leave the organisation to us, all you need to do is invite your group. A £5 per head deposit is all that is required to secure the special date. (Please note this deposit is non-refundable).

We can provide you with a wide choice of options for your day or you can request certain items that you might want to include. However, if you are struggling for ideas, within this brochure there are a few examples of our more popular society packages and a few extra ideas as well to make your day more interesting and memorable.

The course ...

The 9 hole golf course is laid out over almost 70 acres, with a tremendous combination of holes that allow for the society golfer to have a great fun and challenging golf day. On your second nine we have a different set of tees providing a different angle both literally and in golfing terms. The par 69 course is approaching 20 years old and the benefit of maturing trees and shrub planting adds to the sheer relaxing experience of playing Horne Park. From a golf perspective the challenge of water on 5 of the holes and the careful positioning of bunkers makes those 'risk reward' holes the key to a winning round. We believe society golf is about all members of the group being able to compete and Horne Park is perfectly designed to challenge the low handicap but give the lesser player a real chance to win. We pride ourselves on the quality of the putting surfaces, the USGA construction method means that the surfaces drain well and remain consistent thought the year but most importantly you know on your day you will be putting on some of the best surfaces you will experience. Our reputation as a perfect society venue grows as more groups experience playing this great little golf course and leave looking forward to the next time.....

Horne Park Golf Club great society golf value.....

Fancy a nibble ...

Horne Park offers all members, visitors and guests full clubhouse facilities including restaurant, bar and changing rooms. Our bar is open all day and offers everything from a frothy cappuccino to a traditional real ale. Or why not try a bottle of wine from our selection of reds, whites and rosés? Your group can reserve the conservatory for your exclusive use whilst experiencing the warm ambiance of our friendly clubhouse.

We offer a full catering service 7 days a week between 10am-3pm. Our daily menu covers everything from sandwiches & baguettes, to soup of the day or maybe even a Full English Breakfast. Bookings can be made outside of these times by prior arrangement for group golf or social gatherings. For these events a vast range of food is available from a bacon roll right up to three course roast dinners and delicious buffets.

The clubhouse is perfect for any social gathering with or without golf, please speak to Bill or Neil at the golf club for further information on this.
